Re: MUR 4749

Dear Ms. Boyt:

Enclosed please find an executed Statement of Designation of Counsel designating myself and Lance Olson as counsel to the respondents in the above referenced MUR.

On behalf of the respondents, we would like to request an extension of time within which to respond to the complaint. If possible, we would like an additional two weeks.

The complaint was received in late May just prior to the Primary Election on June 2, 1998. The election for the Democratic nomination was closely contested between our client and the complainant. While our client received more votes in the election day tallies, the vote was close and it was not until this week that her nomination was confirmed based upon the results of the count of the absentee ballots. Given first the press of the campaign and then the close results of the election itself, our client has been understandably preoccupied with these matters. However, it is her intent to prepare a full response to the allegations in the complaint including full documentation of the facts.

We appreciate your consideration of this request. If the request will be denied, please advise me as soon as possible so that I may file an abbreviated response to the allegations.

Sincerely,
